FOUR LEAF C. WON AT A LONG PRICE

Mr. Orr's Stanch Old Mare Beat Lady Strathmore and Ed Ball in Sprint Handicap.

BAS D'OR DID WELL IN MUD.

Betters Did Not Like Mulkey's Colt, but He Ran Like a Stake Horse-Ora McKinnie and Memphian Also Won.

Four Leaf C., at 15 to 1, was the legitimate winning long shot at the Fair Grounds terday. Everything in the race was concedling Mr. Orr's mare codles of weight. It was her going to a hair. She was about field and won by three lengths, though she had been in the heaviest going all the way. Santa Ventura never could beat Four Leaf in that going and that way rigged. Bridge took all the run out of Santa, as The Republic figured he would. He took her a half. That stopped him, and her, too. Ed Ball hung behind them, and Lady Strathmore behind Ball. The Lady went well and wound up strongly, but she could not concede Four Leaf the weight,

Speaking of the race yesterday, The Re-public said: "If Four Leaf C. is 12 or 15 to 1, queerer things have happened than her winning. She is terribly good and fresh

Lady Strathmore ran a fine race in the mud, If Delmar is dry next Monday, they will have a sweet time of it beating her in the Inaugural.

ORA MCKINNIE A WINNER. Ora McKinnie came on and won the first race easily, after Mr. Stifel had backed Allegrette from twenties to twos. Allegrette looked like a winner to the last

eighth. But it was Ora's day to be good, and she got there.

Memphian won the fifth race by a nose from Class Leader, a 20-to-1 shot, who would have won in another jump. Kitty Clyde ran a good race here, her best in mud. Shea, Ghio's apprentice lad, gave Sister Lilian, the favorite, a very bad ride, He seemed to think that as long as Ghio's colors were in front on Memphian it was all right. Sister Lilian will do much better with a good ride.

all right. Sister Lilian will do much better with a good ride.

Though Bas d'Or once won in mud, the talent had little confidence in him. He won easily, though his price sailed from 7 to 5 to 3 to 1. Pettijohn was held out of it in the early part, but came fast at the end. Wolff's ride was poor here. Kenova and Maud Gonne did not go well in the mud. Maverick ran a great race in the third event. Off hadly, and cut off thrice, he backed up and came around his field and won with ease

PLAY LONG SHOTS FOR BIG FIELDS. Favorites Are Bad Betting Propositions When There Are Fifteen Horses in Every Race.

Mr. Maginn's enormous fields make it hard to win a bet to-day. There seem to e some nice bets in every race, but the big fields and bad riders make it hard to play the short-priced horses. As riders stand, it is better to go to the long shot with the chance than to stick to the favorites un-less the favorites are very fast beginners.

Broodler and Brown Vall seem to have the first race between them. They both have early speed, like mud and will about go the route, Galanthus and Countess Clara MAIWELLS AND BILL KNIGHT.

If Malwells is up to her form and to the listance, she will win the second race. She should love mud, is a grand, big mare, and will handle the weight well. She was unfit and green when she ran her good races, and should be a much better filly now than she was then

should be a much better filly now than she was then.

Bill Knight is not at his best form. His last race was not bright. It is his going, and he should be a contender with that pull in the weights.

Old Stone has probably gone back. He has been steadily going off instead of improving, and does not seem to be in the hands of a capable trainer. It will be his kind of a track and his distance, but he will have a hard time to win. CIALES IN HIS ELEMENT.

Clales will be right in his element in the yond a doubt. Here is one legitimate Gumbert's favorite. He looks like a 2-to-1 shot. Fickle Saint will run a good race to-day. She wore a breast plate last time. It slipped up and choked her so that she stopped, after running a good half with Ciales. She is in light to-day, and may take some beating. Dolly Hayman will go well at the weight and on the track. Doctor Scharff's well-known liking for mud will stand to him to-day, and he will be a contender. He has had a rest, which will do him good.

T. P. HAYES IN THE STAKE. yond a doubt. Here is one legitimate Gum-

T. P. HAYES IN THE STAKE. Always go to T. P. Hayes in a stake, Kilo will like the mud, will not mind the weight, has had a long "prep" and will weight, has had a long 'prep' and will go well. Don Alvaro, Hogarth, Matt Wad-leigh. Perla and Hast Du Geshen will not get anything. Imboden has no chance on fis last race, when it is said he did not run a true one. It will be wise to let him show that it was untrue before backing him, He loves mud, and, in fact, is a really great mud horse.

loves mud, and, in fact, is a really great mud horse.

He is a little rat, and that weight will steady him. Eugenia B. is a grand looking Balgowan filly, who won in Chicago. Like all Balgowans, she is probably a mudder of high degree. On a dry track Leopard would win this race. He has all the speed and would last long enough to win on the dry. But his ability to run in mud is said to be poor by the Schreiber people, who owned him before Captain Burbury got him.

MALTSTER A GOOD THING.

MALTSTER A GOOD THING. Maltster looks like the good thing of the day in the handicap. It scarce seems that he can lose, but Mr. Gay says that he abcash. Yesterias: Orn McKinney, 4-1; Walmut Hill, 1-2; Memphian, 5-1; Bis d'Or, 5-2. All win.

truer. Maginn never "soaks" a man for PATHOS A SURE WINNER.

The Messenger is not a mud horse even if he has won in it. On the dry he might beat Pathos, but in the mud he has no chance to do so. Pathos is the good thing of the day. The Messenger ran the mile in 1:41½ in his last rac which was good time on that track. The Wizard had a fine chance to beat such time. The Messenger is not a mudder. The writer does not think that there is a colt in the West of the \$400 class that can beat Pathos in this kind of a race.

MANY WILL COMPETE IN TRIPLE A TOURNAMENT.

Tennis Matches Carded for This Aft-

ernoon on Courts of the Association in Forest Park.

Members of the Triple A will hold their annual tennis tourney preliminaries on their courts at Forest Park this afternoon if the weather and the condition of the grounds permit. The rain of yesterday will hardly affect the courts if the sun comes

out warmly this afternoon. From the class of competitors, it is believed that good contests should result in all the matches. The size of the fields makes it practically certain that only the preliminaries will be played this afternoon.

The finals will be next Saturday. The first event is carded for 2:00 this afternoon. Two classes have been arranged for the matches, with doubles and singles in each class. The opening event will likely be between T. P. Gleason and G. Calhoun in the class A singles. Walter West and Gaines will likely tie up in the next match of the same class.

In the class B singles, G. B. McPheeters and Sears Lehmann will meet. Lehmann is the Washington University man who has represented the college in football and track athletics.

City Wins Suit Brought by Furniture Company. The jury in the case of the L. Fredericks & Bro. Furniture Company against the city returned a verdict for the plaintiff yesterday afternoon in Judge McDonald's court nd awarded damages at \$1.

The plaintiff sued for damages incurred y the flooding of the factory due to the forcing off of a manhole of an overtaxed ewer, caused by excessive rains on Qctober 22, 1969 It was brought out in the course of the

our days' trial by Acting City Counselor Weerner that it rained incessantly on the day in question and he argued that it was impossible to discriminate between the amount of damage done by the sewer and the rainfall. In succeing of the trial resterday, Mr. Woerner said that a dangerous precedent would have been established had the verdict been otherwise, for then there might have been ground for many suits in the case of floods.

We Can Give You the Quickest, Safest and Surest Cira Obtainable.

Are you afflicted with Varicocele and its results—Nervous Debility and Lost Manhood? Are you morose, irritable and despondent? Do you lack your eld-time energy and ambition? Have you Emissions and Drains of vigor? Are you growing weaker and weaker sexually? There is a derangement of the sensitive organs of your Pelvic System, and though it flives you little trouble at present it will ultimately wreck your health, rack your nervous system, result in total impotency and cause you endless suffering and unhappiness. These weaknesses, resulting from transgressions of nature's laws, never cure themselves. Be cured before it is too late. Remember good health is your most valuable possession.

Varieocele is a local disease—a weakness of the spermatic veins and circulation. Nearly all cases of Lost Manhood result from neglect *f this disease; the faulty circulation of blood produces a softening and wasting of the glands and paralysis of the pelvic nerves. We can cure Varicocele in five days, without pain, suffering or detention from business. Our record of thousands of cures, without a single failure or unpleasant complication, proves this assertion. Business men whom we have cured will vouch for our skill and ability in treating this disease. The great secret of our success lies in the fact that we give not only internal constitutional remedies, which speedily overcome all reflex manifestations of veakness, but we also employ a local treatment which acts directly upon the weakened parts, soon restoring permanent strength and power to the entire generative system. The spermatic cords soon feel just as they did before you contracted this disease, the wasted organs are developed, all traces of weakness vanish, and in their stead come the pride and pleasure of perfect health and robust manhood. Our treatment has all the advantages to be derived from the wide-open surgical operation, but none of the many dangers of disadvantages. What you want is a safe and l Kansas City Trains. Boy Bitten by Dog. Henry Mehler, 8 years old, of No. 2825 South Seventh street was bitten on both hands by a dog near his home Thursday.
